Winemaking

Manually harvested in 20kg bins. Slow pressing and fermentation in sandstone amphorae (natural yeast) during 1 year. Matured for 1 more year in clay amphorae (140L clay jars).

Tasting

A crystal wine of great aromatic purity. A subtle nose revealing fresh aromas and exotic fruits (pineapple). The attack is silky and enveloping and stretches to iodine notes. A chenin with almost a tannic structure, elegant and unusual, a great wine with food .

To appreciate it

A marvel to serve with a cod or sea bream carpaccio with chermoula dressing (coriander, mint, lemon, olive oil, garlic, paprika). Typically good with fish, white meat or poultry cooked with lemon... or on exotic dishes. Open up to the charm of Ephata, the wine will do the rest!

Wine available in magnum or 75 cl bottle
